

JUNE SWIMSUIT EDITION

2009

GONE FISHING

Kids Helping Kids One Swimsuit at a Time!

Winnipeg summers are awesome!
The hot sun, lots of outdoor play
time and NO SCHOOL.

The Manitoba Marlins Swim Club is
partnering with The Gone Fishing
Club. They are collecting gently
used swimsuits of all sizes so that all
Winnipeg kids can enjoy the free
water pads and wading pools that
this great city has to offer. As you go
through your family's summer
clothing, please set some items aside
to share with those less fortunate.

Our Goal: Collect 100 gently used or new swim suits, pieces of summer
clothing, or summer footwear to share with Winnipeg children.

Drop Off: Bring items to practice during the week of June 15-20. There will
be a drop off spot on deck. The Manitoba Marlin's Swim Club
office will accept items until June 30th.

Thanks for showing team spirit!
